## THE 1965 BRIDGE

Macon County High School  
Montezuma, Georgia

Vol. VI

# Foreword

In anticipation of the new building that is under construction the staff of the 1965 BRIDGE wants to offer one last salute to the good, old building in which we have spent many happy years. Sometimes we have been crowded and sometimes we have been cold, but always we had a cozy, friendly feeling. The new building will be modern and functional, but "our" building has a dignity all its own. We have spent profitable years here and it is with mixed feelings that we contemplate leaving. We have put into this book a lasting record of our last year in high school. And, since this is the last year that Macon County High School will be housed in this building, we have tried to include a lasting record of it as well.

So, now, let us take a quick look at Macon County High School.

### Greeting to Graduates

You are the future homemakers of the land! It's fun to draw on your imagination of colors and arrangement in each individual room when planning decorations.

It's always convenient to use our weekly or monthly plan when designing a room or the entire home.
